

Voter Satisfaction Survey

Do you think voting is a waste of time because you know who'll win in your area anyway?

Do you think Parliament should reflect the views of the nation?

Do you think Parliament should reflect the composition (sex, ethnicity etc) of the nation?

Do you think it's wrong that a Party can win an election with fewer than 4 out of 10 votes?

Do you think it's wrong that the Party that gets the most votes can lose the election?

Would you like an MP from your own party in your area?

Would you like a choice of MPs to approach with problems?

If you ticked any of these boxes, then you need to know about STV
